Dear Parents,

Year 3 Team and Ball Skills Club for Girls

I am starting a Year 3 Team and Ball Skills Club on Wednesdays, starting Wednesday 18th April after school. It will finish at 4.15 p.m.

I am a qualified netball coach, but the skills I will introduce and develop will enhance any ball or team sport with which your daughter might already, or in the future, become involved in.

The sessions will include a variety of skills and games to enhance their throwing, catching and balance skills, as well as supporting general strength and fitness, team communication and, most importantly of all, enjoyment of sport within a team environment.

This club will be FREE and will be operated on a first come first served basis. We will contact you if your child has been unsuccessful in gaining a place.

Your child should come in their usual QE PE kit and meet me outside on the playground after school. If they could remember to bring a drink out with them too so I can ensure they remain properly hydrated! Please pick up your child from outside the school office.

Please complete the form below giving your permission and return it to the school office as soon as possible.

If you have any questions or need further information, please feel free to contact me directly.
