## BEING HUMAN TOPIC

Dear Parents/Carers,

As part of our Being Human topic in Year 6, we will shortly be addressing two important aspects of our work: drug and alcohol awareness education and sex and relationships education. Both of these units involve statutory learning that must be covered as part of the KS2 Science National Curriculum.

The exact topics we will be covering are outlined below.

### Drugs and Alcohol Awareness Education:

Medical & Illegal Drugs  
The Effects on the Body  
What the Law Says

### Sex and Relationships Education:

Changes During Puberty  
How Babies are Made  
How Babies are Born

Classes will have the opportunity to ask questions (either openly or anonymously) and all discussions will be dealt with in a sensitive and informed manner.

We are giving you advanced notice of this topic should you wish to broach the subject with your child at home. If you have any concerns or questions about the topics covered and the materials being used, please do speak to your child's class teacher.

Yours sincerely,

Mrs Curtin, Mrs Clark, Miss Dawson and Miss Whitaker  
The Year 6 Team
