

# Homework Club

Dear Parents,

Do you ever wish you had more quality family time after school? Do you get fed up with the battles that (sometimes) ensue, trying to get your child's homework done, and the time that wastes?

I propose to start up a Homework Club in September, but need to get an idea of your interest first. The idea is to give children the opportunity to do some of their homework in school, so they don't have to do it all at home. Home time is then free family time!

Children will be provided with a small snack and drink. I will stamp their work so that parents and teachers know how much input they have had – i.e. no help at all; help interpreting what they've been asked to do; help executing the homework. They will bring their homework home so you can see it. There will be some quiet games to play once the homework is finished, and before collection.

Numbers will be limited to 20, and I will need a minimum of 10 to run it at all. Once that minimum number is reached, I would then be happy to take children on a pay-per-session basis, with the necessary notice.

<b>Day:</b>	<b>Mondays, Wednesdays and Thursdays until 4.15 pm</b>
<b>Term dates:</b>	<b>11 September – 13 December 2012</b>
<b>Term cost:</b>	<b>£26 for 1 day per week, £52 for 2 days per week or £78 for 3 days per week (£2 per session)</b>

Please note, children don't only have to do the homework on the day that it is set as there is usually at least two days grace to hand it in. So your child could come to homework club on Tuesday, and do homework that was set on Monday, for example.

If this is a service you would be interested in taking up at any time, please complete the form below and return it to the office. I appreciate that at the moment it's impossible to say exactly which days you would be interested in taking up, and you are not committing to anything at this stage, this is just to give me and the school an idea of your interest.

Kind regards
