

Homework Club

Dear Parents

It has come to my attention that maybe some people have the wrong idea about Homework Club. It is NOT a club where children go to get extra homework! Rather, it is a place children can go to after school to do the homework that they have already been set in school. This way they don't have to do it at home.

This is how the session will run: Children will be provided with a small snack and drink. I will stamp their work so that parents and teachers know how much input they have had – i.e. no help at all; help interpreting what they've been asked to do; help executing the homework. They will bring their homework home so you can see it. There will be some quiet games to play once the homework is finished, and before collection.

Also, the verbal feedback I have received about this club would suggest that there is more interest than the few returned forms would actually suggest! I will send out booking forms in the first week of term, when you will have a better idea of your child's homework and after-school obligations. However, at this stage, I do need a better idea of your interest, so please could you return the form below, or drop me a text or email to let me know if it is a service you might be interested in using. THERE IS NO OBLIGATION AT THIS STAGE.

Numbers will be limited to 20, and I will need a minimum of 10 to run it at all. Once that minimum number is reached, I would then be happy to take children on a pay-per-session basis, with the necessary notice.

Day:	Mondays, Tuesdays and Thursdays until 4.15 pm
Term dates:	11 September – 13 December 2012
Term cost:	£26 for one day, £52 for two days or £78 for three days (£2 per session)

Please note, children don't only have to do the homework on the day that it is set as there is usually at least two days grace to hand it in. So your child could come to homework club on Tuesday, and do homework that was set on Monday, for example.

Kind regards
