Lockers for Year 5 & Year 6

Dear Parents,

As you are probably aware, every child in Year 5 & 6 has their own locker which is located in the changing rooms. Over the last few weeks we have been dealing with an increasing number of problems, in relation to children going into each other's lockers and either removing things or putting other people's possessions into them.

When we set up the lockers, we took the decision to attach the key because their main purpose was to take the coats and packed lunches out of the classroom. We discussed lots of different ways of configuring the lockers and decided this was the most straightforward way.

Due to the number of children who have had their lockers tampered with, despite a lot of adult supervision at the times when the children use their lockers, we now feel that we need to do something to address these issues.

We have decided that, upon request, the key will be detached and given to your child. However, in order to provide your child with the key, we would need a cash deposit of £5.00. This deposit would be stored in the office to cover the cost of a replacement key. At the end of the school year, all deposits can be collected in exchange for the key.

If you are interested in taking up this offer, please return the slip below with £5.00 in cash and we will arrange for the key to be sent home.

Many thanks

Roger Blackburn
Headteacher

Locker Key Return Slip

Child's Name: Class:

I would like to have an individual locker key and enclose a cash deposit of £5.00
