In the post box this week....

This week we have been thinking about our heart's desire and those things that we treasure in our lives.

My most treasured possession is my family because if my house was burning down in flames I would save them because I love them so much.

I couldn't give them up that easily because like I said, I love them so much. I would hate to give up on them, especially my baby brother.

My heart's desire - I would like to be in a cabin crew and work on aeroplanes.

Anonymous, Abbot, 4CH

My most treasured possessions are my memories, family, love and life, money and phone.

It is really hard to give your possessions away but you never know if its hard or not.

My Heart's Desire is to lead a normal life.

Chloe, Carroll, 4CH

Cloudio Capello...!

What a great week we have had at QE, topped by the second appearance of our Friday guest (on a Thursday this week due to a course) Cloudio Capello. He comes to assembly every week to tell us about a different cloud that relates to our weekly theme which is treasure. He's very interesting, Cloudio, and claims to be the brother of Fabio Capello the England manager. Not sure he is though, but perhaps we'll find out as the term goes on. This week we have been thinking about our heart's desire and the children mentioned the things you would expect but also some you wouldn't expect, like a happy life, a loving family and a job! That last one shows how much they are picking up about the world around them. I have also been thinking about it this week like some of the children. I am already very lucky as my heart's desire has always been to become a Headteacher. So it proves that if you work hard and focus on your goals you can achieve them.

It's our SDP evening next week and we have about 15 parents coming. I am taking this as a sign that you are all very happy with the developments we are putting in at QE. This has been another term of great change and I really value the support you have shown over the last year and the way you continue to help us develop as a school. That's why the SDP evening is so important because it's your chance to have a say on where you think we should go. We really like as many of you to come as possible so that we can get a wide range of different opinions. Last year's SDP was written around the ideas expressed at last year's meeting, so your views really do make a difference.

Next week we will be sending out a questionnaire to get feedback on the major changes we have put in place since September. I would really love to get 75% of parents to return the questionnaire which would be about 150. As usual we will have a treat for the class that return the most replies.

I hope you have a great weekend from all the staff at QE!

From the PSA....

PSA/All Saints Church Race Night... Look out for details of our next PSA event, the popular Race Night, which will be held on Friday 3rd February.

PSA Disco... Everyone loves the school Disco and the next one will be held on Friday 24th February. Further details and ticket order forms will be sent home nearer the time.

Looking further ahead...the popular PSA Family Bingo Night will take place on Friday 16th March.
