Didn't They Do Well

What an amazing performance that was! The Year 6 children really did us proud and I was blown away with the quality of the performance as I am sure you were. I want to thank all of the staff for their efforts as the children looked amazing and performed superbly. Every year the play seems to get better and better and I am already looking forward to next year! On another Year 6 note, the weather forecast for next week's trip is amazing so please can you make sure your child comes to school already layered in sun cream as it could be a long hot day!

We are coming to the end of our assembly theme with only two Mr Fruity assemblies left. The children have loved seeing Mr Fruity each week and have learnt some fantastic facts about a variety of different fruits. This week we have been thinking about praying for others. It's something the children clearly do a lot of, if their Thoughtful Times are anything to go by.

Today has also been our Day of Difference with our new Year 3 children. It has been the second transition day this week and it was great to see all 85 Year 2 children at QE on Wednesday. It's going to be a great year next year with the extra class and the new Year 3 team are preparing for September already. Talking of changes, we will have a few staff moves for September with Mrs Cross moving from Year 4 to Year 3 to work with Miss Hines and one of our new teachers Mrs Ellery. Mrs Kearns is joining us and will teach in Year 4. Mrs Clement-Smith is moving to Year 6 as Mrs Roche is sadly leaving us at the end of term. Mr Day and Mrs Curtin are going to do a job share and will then become the other Year 6 class. It's going to be a very exciting year!

We also have District Sports today and are sending a very strong team this year. Let's hope they can do really well and possibly even win? Whatever the outcome, it's a fantastic honour to represent your school at this event and I wish the team the very best of luck. It only remains for me to wish you all a fantastic weekend that is going to be very hot and sunny. Until

next week! Mr Blackburn & The QE Staff

In the post box this week....

This week we have been thinking about praying for others..

Do you pray for other people?

I have prayed for others because, like Mr Blackburn, I pray for peace and goodwill to all men but I also prayed for Mrs Wilkinson when she was ill for a week and we had supply teachers all the time.

Did it work?

For the peace and goodwill one, not yet, but Mrs Wilkinson has got better now and I'm really happy and content.

What is worth praying for in life?

It is worth praying for things that worry you because when you pray, it lifts a great weight off your shoulders.

Carroll, Year 5
