What a Scorcher!

What a very hot week! The children have coped so well with the incredible temperatures both inside and outside of the building - well done to all of them. I want to start by apologising for the last minute changes to Sports Day. I know many will have booked time off work and I am really sorry that we had to cancel yesterday afternoon, however, as I am sure you will appreciate, your children's well-being is our highest priority. We are completely reviewing our Sports Day programme at the moment, as I feel it needs to be changed. Next year we will be having Sports Day a lot earlier (in June— dates to be confirmed) and before District Sports. I know some of you feel that all of the children should be included in the races in the afternoon but I think the participation of 183 children out of 240 is very good. I do believe sports day has to have a competitive edge as it means a lot to the Houses to win, so the race element will be staying next year, although we will change how the teams are selected. We will also produce a letter explaining how Sports Day and District Sports works.

As you will be aware, there is a direct link to our End-of-year Parental Survey on the 'Latest News' page of our website for you to complete. It's very important that we gain the views of as many of you as possible so that the results are representative of the whole school body. We have given a week to complete the form and would like as many of you as possible to complete it online. We have had 27 responses so far which is excellent. A big thank you to everyone who has completed the survey in the last couple of days.

We enter the final week of term on Monday and it will be a sad time as we say goodbye to Year 6. The photo above is from the Isle of Wight trip last week which was a huge success. The children were well-behaved and had a great time. The weather was amazing and the canoeing and kayaking were particularly welcome! It only remains for me to wish you all a happy and hot weekend.

In the post box this week....

This week we have been thinking about how we can make our lives better..

Do you live life well?

I suppose so. I'm quite happy with my life and I think I'm living it rather well

Do you ever regret things?

Yes, everyone does, don't they? Sometimes I wish I hadn't said something because some people take it the wrong way.

How can you be better in life?

I think I need to be more polite as my mum's fussy about that sort of thing. I also need to try and stop getting too crazy!
Wey, Year 3

Do you live life well?

I try to because I try to be good each day and try to make everyone else's day better too

Do you ever regret things?

I wish I didn't lie sometimes. I wish I had told the truth instead.

How can you be better in life?

I am imaginative and a kind friend. I could learn to be kind to everyone.

Castle, Year 3
