In the post box this week....

This week we have been thinking about how we are growing up so far.

Are you happy with the way you are?

I'm not happy with myself but there is one thing that I'm happy with and that is a lovely family!

Do you know how you want your life to turn out?

I want tons of friends and to be a lovely person.

What do you hope to be in the future?

I hope I become a Boogie Pumps teacher and have a lovely family, a husband and as many children as we can handle!

Wey, Year 4

Growing Up....!

What a week it's been at QE. We have so much going on in school at the moment every week feels like it lasts for 10 days! The children are working very hard at the moment despite some pretty oppressive weather. It's certainly been humid inside the building and that never helps the concentration. I have spent most of this week reading the teachers' end of year reports on the children. They are very positive and the progress that the children have made this year is excellent. Obviously there are some children who need a little extra help and the interventions that we have been running this year in order to support the work the teachers have been doing in class have led to an increase in progress for those children as well. It's something we have worked on a lot this year and will continue to work on in September which doesn't seem that far away now.

The photo above is of Mr Fruity who is our weekly visitor to assembly. Each week he brings a different fruit and talks to us about it. It all relates to the Fruit of the Spirit which is the theme for this term's assemblies. This week we learnt all about melons and how fantastic they are. Did you know that watermelon was so revered by the Egyptians that they were often placed in the tombs of the kings. You really do learn something new every day! We have also been thinking about growing up and the type of people we will become. I wonder what your children will end up doing in their future. As you would expect, not many know now!

The Year 3 teachers are busily preparing for the two day sleepover next week and they have a range of really great activities planned for the children including a special production related to their topic. It's a long couple of days for Miss Hines and Mrs Clement-Smith and I am very grateful that they give up their time to run such an important activity for the children. We're relieved it's not today as it's the Summer Solstice and we'd never get the children to sleep on the longest day. I have to say it's felt like the Solstice all week this week! Have a great weekend! Mr B & the QE Staff.

From the PSA....

PSA Disco...Our next School Disco will take place on Friday 19th July. Look out for details nearer the time.

Cake Sales...Our Year 3 Cake Sale raised a magnificent £142! Many thanks to all who provided the wonderful cakes and to those who came to the sale. We are holding a sale of ice creams and sweets this afternoon at 3.15pm.

Sport at QE....

Tag Rugby

We took part in the Guildford Schools Tag Rugby Festival on Wednesday. Our team consisted of Rosie, Patrick and Sam M from Year 6, Leo, Thomas, Barney, Jacob, Alex S and Charlie from Year 5 and Sean, Jake and Elliot C from Year 4. We played in the Year 6 tournament and we drew one match and won the other 5 games we played in!

The team played a brilliant mixture of running and passing rugby, whilst maintaining a strong defensive line. They also won the Fair Play award and should be very proud of themselves!
