It's been very quiet at QE this week with the majority of Year 6 out on their residential to the Isle of Wight. I know they have been having a great time and Mrs Curtin says they have been behaving incredibly well which is always good to hear. The Year 6 children who didn't go have been with me this week working on a number of small projects. They have created the goods to be sold in our pop up shop today and have learnt a huge amount about running a small business along the way. They have costed everything to the last penny and I am hoping they make a little money especially as I have been their only investor! I am so proud of the way the group have worked this week and want to thank them via the newsletter for their spirit of cooperation.

As many of you will know now, Mrs Cross will not be back this term due to having an operation. We appreciate that it was a little short notice but sometimes these things happen. We will be visiting Mrs Cross over the next week so if you were going to get her a gift, please bring it in at the end of term as normal and we will ensure she gets it. We of course wish her a very speedy recovery and are looking forward to seeing her back in class in September.

It's the last week for Year 6 next week and we are very proud of their time at QE. Their SATs results were very good and they have worked hard this year to achieve those. I want to officially wish them all the best for the next stage of their education and I know they will continue to do very well in Year 7.

A reminder that the reports you received last week contained a second copy of the report for you to comment on. If you do want to give your feedback, please return the second copy of the report to school so it can be filed in your child's school record. A final mention for the end of year parental survey. We have had 118 responses which is superb. We will be closing the survey at midnight tonight and 3S are currently in the lead by 1 response! You still have time to fill in the questionnaire if you haven't so far.

It's the last week of term next week and it is a very busy one. There are a lot of things going on so please can I ask you to keep checking the website for any letters that come out and to make sure you have the latest information. Have a great weekend....**Mr Blackburn & the QE Staff**

Thoughtful Time....

This week in Thoughtful Time we have been thinking about praying for others...

- 1 **Have you ever prayed for others?**
Yes and it helps me feel like they will get through it and survive but sometimes my prayers are not loud enough for Jesus to hear.
- 2 **Has it worked?**
Yes and no because when my gran fell down the stairs I thought she would never make it but she is on the mend.
- 3 **What is worth praying for in life?**
Peace and family because if we didn't have peace in this world everyone would be fighting. And family because they love you and you love them so I pray for them.

- 1 **Have you ever prayed for others?**
Yes, I have prayed for my grandpa not to be as deaf, and I prayed for the poor children in Africa to have clean water and for all wars in the world to stop.
- 2 **Has it worked?**
Unfortunately, no it hasn't worked because usually I don't believe in god so that won't help it.
- 3 **What is worth praying for in life?**
For people and kids to live a happy life, and for wars to stop and terrorist attacks to stop.
