Dear Parents/Carers,

At QE we always welcome feedback about our activities. Over the years we have worked hard on the transition process which now consists of two whole days participating in class based activities with their new teacher, the Day of Difference which offers the opportunity to freely mingle with other pupils at the school and the sleepover at the end of September.

We look forward to hearing your views about the induction and transition process, we will then use them to further develop the process to ensure a smooth start for new QE pupils.

Please take the time to complete this quick survey and return it to school via your child, by Friday 3rd October. If there are any additional comments you would like to make please feel free to add these at the bottom of the survey.

We thank you in advance for your time and responses.
