15<sup>th</sup> June 2012

## 5W Class Assembly

The PSA have asked if we can change the date of 5W's class assembly. The current date is the day before the summer fair and the hall is needed during the Friday afternoon for the helpers to prepare items for the stalls. The new date is **Friday 13<sup>th</sup> July at 2.40pm**. Please accept our apologies for the change, but we hope you understand the reasoning behind this - the fair raises a lot of funds for the school, but only after a lot of hard work from many parents, so we like to make their job as easy as possible!

## Year 5 Enterprise Project

All the year 5 children are currently working on an Enterprise project this term. This involves them working in companies to produce a product. The school have lent each company some money and now they have to sell their products to pay the school back (and hopefully make a profit!). This is to let you know that these products will be on sale in the playground from 3.15pm on Friday 13<sup>th</sup> July.

Please do come with your children to have a look and support Year 5's work. If your child is in year 5 and usually walks home from school, please note that they could be up to half an hour later if they are participating in the sale. Please tell the office if this is a problem for you.
