5th July 2012

Dear Parents,

As part of our work this half term we shall be dealing with Personal and Social Education. In the context of our science work on life processes and living things, we shall watch a series of three sex education videos. Classes will have the opportunity to watch the programmes and discuss all aspects, including human reproduction, with their class teachers. All discussion will be dealt with from the standpoint of caring, family relationships and will be sensitively managed.

As in previous years, you are being given advance notice should you wish to broach the subject with your child at home. We shall be happy to discuss the matter should you require further information.

Yours sincerely,

A.Haydon & C. Watkins

Year 4 Teachers
