## Proposed Future Expansion

Dear Parents,

The Governing Body of Queen Eleanor's CofE Junior School met last night to consider the responses to the consultation proposal to expand the school to become a three form entry junior school from September 2014.

During the meeting we reviewed issues raised at the public meetings held on 23<sup>rd</sup> April 2013, and an analysis of the consultation responses submitted to the Local Authority. The minutes of the meeting will be published on our website in due course, but we wanted to advise parents as soon as possible that having given due regard to the issues raised in response to the consultation and having considered the issues carefully, the Governing Body resolved to proceed with the proposal and to publish Statutory Notices regarding the expansion of the school to three form entry in September 2014.

Statutory Notices will be published on 31st May 2013, and there follows a further consultation period for anyone to comment on or object to the proposals. The responses to the Statutory Notice will then be analysed and a report sent to Surrey County Council's Cabinet Member for Children and Learning, who will make the final decision.

Further details regarding the consultation and communication process will follow after half term.

Many thanks
