

## Homework Timetable

| DAY       | ACTIVITY                     | DAY DUE IN  |
|-----------|------------------------------|-------------|
| MONDAY    | Creative writing/<br>grammar | Friday      |
|           | Maths                        | Monday      |
|           | Spelling                     | Friday      |
|           | Mental Maths                 | Friday      |
|           | Topic Project                | End of term |
|           |                              |             |
| TUESDAY   | Reading                      |             |
| WEDNESDAY | Reading                      |             |
| THURSDAY  | Reading                      |             |
| FRIDAY    | Reading                      |             |

### Activities and visits that may help your child with their topic

| Areas to research at home               | Places to visit on days out or holidays                      |
|---|--|
| The life and work of Winston Churchill. | Imperial War Museum, London.<br><br>Science Museum in London |

### SCHOOL TRIPS

Our school trips for this term are:

- Normandy residential trip
- Henley Fort

### PE & SWIMMING

#### OUR PE & SWIMMING DAYS ARE:

5W —Monday and Thursday, 5R— Tuesday and Friday, 5S —Monday and Wednesday, 5C— Tuesday and Thursday. Children may bring a plain tracksuit (black or blue) for outside Games during winter and a change of socks with their PE kit. PE and Swimming kits are to be brought in on Monday and taken home on Friday.

### READING

***At least 10 minutes each night. Try to read to an adult, find a comfortable corner and enjoy your reading!***

From time to time the homework activity may change due to other class activities.

If you experience problems fulfilling this homework commitment, please chat to your child's teacher.

# Curriculum Map

This leaflet has been produced to inform you of the some of the work and activities that your child will be carrying out this term in Year 5.

We have one science topic and one history topic over the whole of the Summer Term:

World War II

To Infinity and Beyond

The topic web enclosed shows the areas of work to be covered across the curriculum.

**YEAR 5  
SUMMER TERM**

# Year 5 - Summer 2018

## English

### Classic Text

The children will explore how characters are described in Goodnight Mr Tom.

### Persuasive Writing

The children will be learning how to write persuasively, considering both sides of an argument as well as writing balanced texts.

### War Poems:

The children will study and write their own poems.

## Mathematics

- Place value
- Addition and subtraction
- Multiplication and division
- Fractions and Decimals
- Measures
- Geometry

## ICT

The children will be creating their own WW2 podcasts by using sound recording equipment.

## Topic - History

Causes of World War 2: How the great depression, the treaty of Versailles and rise of the Nazi party led to WW2.

Evacuation: How and why children were evacuated to the countryside and the effect if this on their lives.

Major Battles: How some of the major battles affected the outcome of World War 2, including The Battle of Britain and the D-Day landings in preparation for our residential trip

How World War 2 affected people : The children will be looking at how the war affected women, children and men. They will also look at the effect of rationing on everyday life.

## World War II

and

## To Infinity and Beyond

## Art & DT

Artists: We will be exploring and replicating techniques used by Picasso, Henry Moore and Peter Thorne.

Construction: We will be making model Anderson shelters.

Cookery: We will be recreating a war time recipe.

## MfL

This term, we will be exploring the planets and solar system in French which will link with our Science topic.

Other areas will include days of the week, celebrations and tenses.

## RE

In RE we will be studying:

- Creeds;
- The beliefs and values of the Christian church;
- What we can learn about the Christian faith from the Chronicles of Narnia.

## PE

Over the term we will be practising and learning a range of athletics skills as well as using the swimming pool when the weather permits.

## Science

In Science, the children will be learning about Earth and Space including:

- The planets in the solar system;
- How day and night is caused;
- How the four seasons are created;
- The relationship between the Earth, Sun and Moon.
