Dear Year 5 and 6 Families,

Acceptable use of Mobile Phones

It has been brought to my attention that many of our children have been using WhatsApp to communicate with each other. Unfortunately, on some occasions, the language used has been inappropriate and the content of what they have written has been unkind and of a cruel nature.

If your child has a mobile phone, please could you speak to them about the acceptable use of their phone and monitor what messages they are sending to one another. Please can I also remind you, that since May 2018, the minimum age for using WhatsApp is 16 years old.

Thank you for your cooperation in this matter.

Kind regards,

Mrs Joanne Davies
