Dear Families,

End of Key Stage 2 Statutory Assessment Test (SATs) Results

I have the pleasure of sharing the Year 6 Key Stage 2 SATs results with you all. We are delighted with the children's results, especially with the disruption to their education over the past couple of years. They have all worked extremely hard and we are incredibly proud of every one of them.

We also have National data to compare the school's performance against. That data is contained in the table below.

	Percentage of pupils reaching the expected standard in Reading	Percentage of pupils reaching or exceeding the expected standard in Writing (based on Teacher Assessment)	Percentage of pupils reaching the expected standard in English Grammar, Punctuation & Spelling	Percentage of pupils reaching the expected standard in Maths	Percentage of pupils reaching the expected standard in Reading, Writing and Mathematics combined	Percentage of pupils reaching the expected standard in Science
School	84%	79%	83%	86%	71%	88%
National	74%	69%	72%	71%	59%	79%

A huge congratulations to all the Year 6 children, all our staff and particularly the Year 6 team!

Kind regards,

Mrs Joanne Davies
