

Queen Eleanor's School PSA

YEAR 3 CAKE SALE - Friday 17th June 2022

The PSA will be holding a cake sale on Friday 17th June 2022.

We will set up the stalls under the gazebo.

Children will be able to buy cakes at 3:15pm, so they will need to remember to bring some money to school please. All cakes will be 50p.

Parents and teachers are also very welcome to come and buy some cakes for the weekend!

To reduce the amount of bags used, we would ask that where possible, children bring their own containers/tubs to store their purchases.

This time we are asking **Year 3** to provide the cakes. We will not be handing out plates - if your child is in year 3, please could you fill a plate (or other suitable container) with small cakes, brownies, biscuits, doughnuts, fudge or similar fare (preferably homemade). All cakes must be **nut free**. Filled plates can then be brought to school on the Friday morning. Please **DO NOT** drop cakes in at the office, children should take them directly to their classroom where they will be collected by the PSA.

Containers will be by the office for collection after the sale. Please name any containers.

The PSA will also be holding a second hand uniform sale at the same time.

Many thanks!

QE PSA
