To all parents and carers

I am writing to you all on behalf of Queen Eleanor's Governors. At this difficult and uncertain time we want to express our heartfelt thanks to the teachers and support staff for all that they have done this term. We have been incredibly proud of the significant amount of hard work they have put in to adapt to the ever-changing situation, both before school closed to most pupils and more recently as they support key worker children in school, and all children through home learning. We will continue to support the staff through this often confusing, anxiety provoking and challenging situation. We know that there is a lot of work going on to allow the children to access as much of the curriculum from home as possible and provide the necessary support to parents.

We would also like to thank parents in return for the support that you have all shown for the staff. We appreciate all the hard work supporting your children at home and recognise this is a formidable task for parents. It is at times like this when we really see the community spirit and values of the school in action. Thank you for all that you are doing.

In such uncertain times it is hard to plan ahead but we know the strength and resilience shown by the Queen Eleanor's community at this time will be a model for how the school continues to grow and develop when we reopen.

On behalf of all the governors, I wish you a safe, calm and enjoyable Easter.

With best wishes

Katherine Thompson  
Chair of the local governing committee
