Dear Year 6 Parents and Carers,

Thank you to everyone who has already contacted the school office with your response to the return to school question.

We greatly appreciate the questions, comments and feedback that you have been sending in. Please do not think these are being ignored. They will all be used to help us to plan for the return of our Year 6 children and once we have received further guidance and a final plan is in place, we would hope that we can then answer all of your queries.

For those yet to respond, this is a gentle reminder that in order for us to complete a risk assessment and to be able to plan for a safe return to school, we kindly ask that you answer the following question:

- **Assuming that government advice does not change in the interim, do you plan to send your Year 6 child back to school from the 1st June 2020?**

Please send your response to office@queen-eleanors.surrey.sch.uk by Friday 15th May 2020.

We appreciate that this may not be a straightforward 'Yes or No' answer for you and that you and your family may need more time to think about this decision. Please do not feel that we are pressurising you to make a final decision this week, this is a rough guide to help us with our planning. Once the final plan has been put in place, we are aware that some families may change their mind – this is absolutely fine.

Thank you once again for your continued support.

Kind regards,
Mrs. J. Davies
