

QE Parents and Staff Association (PSA)

The QE Parents and Staff Association (PSA) are a registered charity created with the aim of raising funds for our wonderful school.

We have been fortunate to fund several projects over recent years, **thanks to the generosity of our families through their donations of time, money and creativity**. This year alone we have funded new reading corners in every classroom, technical equipment for lighting the school hall, a charging and docking trolley for school tablets, planter boxes, soil and plants for the outdoor learning and eco-project, to name our key successes. We are focused on increasing funds for the outdoor learning and eco-project as the school is working towards earning it's Eco-Schools Green Flag.

Would you like to be a key member on this journey?

HELP! We don't want to leave, but we have to. The time has come for some families to graduate from QE and **the PSA is now seeking new members** and volunteers to join the committee from September 2022. Your commitment is flexible and can be as much or as little as you can offer. All help is valued and initiating new members to the key roles of Chair, Secretary and Treasurer **means our charity can continue to run**.

All current members of the school community are welcome to join. Please contact us via email at PSAQueenEleanors@gmail.com to ask any questions or express your interest in joining the PSA Committee.

We make a *positive difference* to the children and school community

We organise *fun and social* activities for the children and school families

We *raise funds* for things the school budget does not or can not cover

We work hard to *strengthen our school community*

WHY JOIN THE PSA?

We focus on *increasing family engagement* with the school

We work towards fulfilling our purpose to *enrich the school* with resources and opportunities for the children

We help build *communication flows* between the school and families

We need a core PSA committee to *keep the charity* - and its benefits - going

1.

Support the Children and the School

2.

It's totally flexible - events and activities are planned according to volunteer availability

3.

Make lasting friendships - meet other people invested in making the school a great place

4.

Be better connected to purchases made for the school

5.

Because it's fun! We want to enjoy ourselves - and seeing how much the children enjoy the events is awesome

6.

Impact the school for the better

14 REASONS to Join the PSA

7.

Learn new skills - from using a commercial popcorn machine to public speaking

8.

Improve your child's learning environment

13.

Keep the PSA going!

9.

Everyone is welcome - all active members of the school community

10.

Model behaviours to show the children you care about their education

11.

Volunteering is a rewarding experience

12.

Many hands make light work - charm your friends to join you!

14.

Create lasting memories - for yourself and also with your children
