

## CLUBS INFORMATION - Spring Term 2023

DAY	CLUB	INFORMATION
MONDAY	Art	Art Club offers structured art lessons, where children learn whilst having fun. The children will experiment with colour, brush strokes and a variety of mediums. All materials will be provided but please send your child with an old shirt, apron or coverall that you don't mind getting dirty.
	Dodgeball Y3&4	All participants will need to wear their PE kit or other appropriate sportswear.
	Drama	The club will teach your child to tell stories in a fun and interactive way, to create characters, to use their imaginations and to work and play as a team.
	Netball Y5	All participants will need to wear their PE kit or other appropriate sportswear.
	Ukulele	A beginners ukulele club - instrument will be provided.
TUESDAY	Running Y3&4	All participants will need to wear their PE kit or other appropriate sportswear.
	Cartoon club	Cartoon club offers children the opportunity to unleash their creativity through the art of cartooning. They will learn different cartooning and illustration skills every week.
	Coding Y5&6	<b>Minecraft Exploration Island:</b> Come and join our exclusive Minecraft World: ComputerXplorers Exploration Island. Share the fun and learn along the way as we dig, chop and code our way through a world full of challenges and new discoveries. Your creativity and critical thinking will be needed as we work with redstone, grapple with Minecraft chemistry to create new materials and use computer code to get some of the tough jobs done!
	Football Y3&4	All participants will need to wear their PE kit or other appropriate sportswear. Shin pads must be provided and worn at this club.
	Netball Y6	All participants will need to wear their PE kit or other appropriate sportswear.
WEDNESDAY	Chess club	Children will learn how to play chess in a fun relaxed environment.
	Dodgeball Y5&6	All participants will need to wear their PE kit or other appropriate sportswear.
	Tae kwon-do	Children will gain confidence, develop discipline, improve fitness and learn self defence. All participants will need to wear their PE kit or other appropriate sportswear.
	Writers club	Children will have the opportunity to write short stories and build their confidence in writing.
THURSDAY	Running Y5&6	All participants will need to wear their PE kit or other appropriate sportswear.
	Basketball	All participants will need to wear their PE kit or other appropriate sportswear.
	Board games club	Children will have the opportunity to learn and play a selection of board games. They can also bring in their own if they wish.
	Drama	The club will teach your child to tell stories in a fun and interactive way, to create characters, to use their imaginations and to work and play as a team.
FRIDAY	Coding Y3&4	3D videos: For our next course we will be using a piece of software called KidPix 3D and giving your children the chance to create short films / slide shows which will be converted into 3D to be viewed with red/blue glasses. They will be taught design, story telling and animation skills and we will talk about how 3D works <b>AND</b> Lego robotics: The children will work in teams of 3 to build Lego robots which incorporate motors, light and movement sensors and which will be programmed to operate from a computer. They will learn basic engineering and programming principles.
	Football Y5&6	All participants will need to wear their PE kit or other appropriate sportswear. Shin pads must be provided and worn at this club.
	Judo	All participants will need to wear their PE kit or other appropriate sportswear.
