"A caring, supportive community, grounded in a Christian ethos, where children are inspired to explore their potential and develop skills for life."

Head Teacher: Jo Davies

17th November 2022

Dear Families,

Outdoor Learning Area Update

We would like to extend a huge thank you to those who have supported the outdoor learning area project thus far; plans are now well under way and the trees and logs have been ordered.

A team of volunteers will be joining me next week on Friday to begin preparing the area and the trees will be planted as they arrive.

Work on the reflection space is also due to start; we are recycling some large, colourful tiles found hidden at the back of the current school garden as part of this project.

The work on two outdoor classrooms is also underway, thanks to kind donations from two local tree specialists (Foreman Tree Specialists and Dryad Tree Specialists). We are hoping to enclose these spaces with some more planting, funded through the PSA.

Requests for help:

- Does anyone have a small trailer or other suitable vehicle that they would be willing to use to collect some logs from Dryad Tree Specialists in Wood Street?
- We are thinking ahead to our spring term projects. If you are pruning trees/shrubs and have any small branches you would like to get rid of please think of us!
- We are also seeking pinecones for another project, so if you have a fir tree in your garden or are enjoying a woodland walk in the near future, we would appreciate you picking up any you find!
- Does anyone have a birdbath they are no longer using or would like to donate a new one? We are looking for one as part of our reflection area.

Please email Mrs Kearns if you are able to assist with any of these requests:

kearnsv@queen-eleanors.surrey.sch.uk

The payment item remains active on Parent Pay, and we are always grateful for any donation.

With many thanks,

Mrs Kearns and the Eco Team
