YEAR 6 PIZZA DESIGN NEXT WEEK

Dear parents/carers,

In the afternoons during SATs week (week commencing 9th May), Year 6 children will be designing and making pizzas. They will be undertaking some market research and exploring existing pizza menus. This information will be used to create a new variety of pizza which they will name, package and advertise!

Each class will be cooking on **Thursday 12th May**. We kindly ask that you provide the following ingredients for your child:

- 113g self-raising flour
- 25g butter/margarine
- 50ml milk
- 3tbsp tomato puree
- 130ml passata
- Grated cheese (approx. 170g)
- Additional toppings as desired!

Please ensure that all ingredients are weighed out prior to being brought in and that any containers are clearly labelled. If your child has any allergies to the above ingredients, please provide an alternative or contact your child's teacher to discuss other arrangements.

As part of the project, the children will be making their own packaging for the pizza and therefore will not require a container to bring it home in. ***In order to make the packaging, please send in any spare, empty cereal boxes.***

Many thanks,

The Year 6 team 😊
