Reading

- **Reading will be an activity taking place at home and in school.**
- It is extremely important that you listen to your child as often as possible and record this in their homework diary. A combination of reading independently and to an adult is necessary to ensure depth of understanding is achieved.
- Focused comprehension activities will take place during Guided Reading sessions, as well as spelling reinforcement, phonics, grammar and punctuation tasks.
- The Reading Ramble is a good opportunity to share reading experiences together.

GP

- There will be one ILT set in the summer term. This will be based on our WW2 topic and how members of our family were affected.
- This should be completed over the term, at home and then brought in at the end of term.
- It is important for your child to do as much as they can independently however they might need some help with research and organising the project.
