Dear Parents,

Now that the children have settled back into a routine, we are starting to think about preparing them for the upcoming SATs. To help with this, after half term, we will be sending home some revision guides so that the children can work on them at home. These will need to be returned at the end of the year. We will be setting a section of these each week as their English and Mathematics homework, to enable them to gain confidence in these areas, as this will help to ensure they make the most progress possible in Year 6.

There are question books that accompany the revision guides that the children can write in if you purchase them. The books normally retail at £5.95 each but we are able to offer these to you at a discounted price of £2.50 each. It is really useful for the children to be able to write in them and not copy it all out into a book. If you would like to purchase them, please pay via parent pay.

Thank you for your continued support.
