Dear Families,

### **Face Coverings Update**

I hope this letter finds you all well. We have been revisiting our COVID-19 Risk Assessment, and although the Government Guidance regarding face masks in primary schools has not changed, we have taken the decision to ask all adults in school to wear a mask in communal areas for added protection, when staff unexpectedly come into contact with adults in other bubbles.

It is still your choice as to whether your child wears a mask to and from school, but the Government Guidance for children regarding masks in school has not changed at this time.

Kind regards,

Mrs Davies  
Headteacher
