The one where you join

No...seriously...we need you!

- *“Could we be any more annoying...?”*

Although it may seem that we are constantly seeking your support, without us, the school, and the children, will miss out on invaluable additional **funding** and **resources** as well as all of the **amazing, fun** events we organise throughout the year!

- *“PIVOT!!”*

The time has come for change! Unfortunately, as our year 6 move on this year, so do the majority of our current PSA. We desperately need new members; or sadly, the PSA will **cease to exist** along with the extra funding we bring to the school.

- *“We were on a break!!”*

The children have missed so much time in school over the past year, and it is now more important than ever to ensure that upon their return, their QE experience is even **bigger** and **better**, with much needed resources and super events to look forward to!

- *“How you doing?!”*

It goes without saying that children, parents and staff have all had it **tough** this year. We deserve to have some fun and raise money for the school whilst doing so!

- *“That is brand new information!”*

The PSA welcome all and any ideas that will help us fundraise... even better if you can make it happen!

- *“They don't know that we know they know we know.”*

We know that you would love to volunteer, but you just don't know it yet! Any contribution **big** or **small**, be it **time** or **money** all goes a long way to help the school. Becoming a key PSA member is what we know you really want to do!

- *“You can't just give up. Is that what a dinosaur would do?”*

We cannot just **give up**. Everyone has overcome one of the toughest times in history, and we just need to keep going! We cannot let our PSA become extinct! Please help!

- *“I know!”*

Do you really? Check out some of the things we've been up to...
