Dear Year Six families,

As I'm sure you have already been informed by your children, we are in the process of preparing for an end of year production! Due to the current government guidance, we are unable to organise and deliver this as a live performance. However, we are excited to take this opportunity to be creative; our production this year will be filmed and edited professionally and available for purchase on DVD (details to follow after half term). This will be a lovely way for the children to hold on to their memories at Queen Eleanor's.

Over the half term, it would be great if the children could work on memorising their lines/songs and getting their costumes prepared. Filming is due to commence the first week back after half term. That week, we will just be filming the speaking parts which require the children to be dressed in party clothes. They will be playing themselves at age thirty-five! Any props and costumes (no makeup please!) for these scenes should be brought in on Tuesday 8th June. As we film the subsequent scenes, the children will be given more information as to what else they can bring in.

The children have been working really hard and are getting excited about the final result. We really appreciate your support 😊.

Kind regards,

The Year Six team.
