

QE NEWS

Welcome Back!

We have all returned to school with a very positive attitude and a spring in our step which is no doubt helped by the lovely weather. We are now looking forward to a very busy half term with lots of exciting events taking place. Please keep looking at the website and the back of the newsletter for further information about this half term's activities.

Sports Day... Hopefully you will all have seen the sports day letter that went out this week. Just a reminder that Year 3 and 4 families are invited to attend the morning session and year 5 and 6 in the afternoon. The year 3 & 4 school gates will be opened from 9.00am for the morning races and then again at 12.30pm for the afternoon. A member of staff will be at these gates to record all visitors entering the premises on your child's class register. A Senior Leader will be manning the gate all morning/afternoon, therefore all visitors are welcome to leave whenever they wish - please ensure that all visitors are signed out.

There will be a clearly demarcated spectator area for you to enjoy all races. All visitors will have access to the toilets situated in the hut next to the field. Queen Eleanor's pupils will use their usual facilities. At the end of the morning session, families will be asked to vacate the premises and the gates will remain locked until the afternoon session commences. Lunch will take place as normal – with school dinners and packed lunches remaining the same. The PSA will be running a snack and drinks stall during both sessions – kindly note that this will be for visitors only and not Queen Eleanor's children.

Please ensure your child/ren arrive at school already dressed in their PE kits, school jumper/cardigan and appropriate footwear. Please provide a water bottle, snack, and sun hat and sun cream (already applied). At the end of the day, the children will be released by their teachers from their classrooms and NOT from the school field. Please collect your child/ren from their usual collection points.

Swimming Gala... It has been lovely to hear that so many of you are interested in attending the GCSC Schools Festival Swimming Gala. We had initially been informed that this event would be taking place on **Saturday 15th June** but unfortunately due to clashes with other events, they have decided to reschedule the event to the **14th July**. We have no further information about this gala at present, but will let you know the details when we receive them.

Messy Church... The next Messy Church activity afternoon will take place on **Tuesday 18th June**. We look forward to seeing as many of you as possible at this event.

Big Toy Homing Campaign... Wednesday this week was World Environment Day. The Entertainer Toy Shop has partnered up with The Salvation Army to reduce the amount of plastics ending up in landfills while also supporting the charity. Their idea is to extend the lifespan of toys, but also give children and families who may not have the means to experience the latest toys and games the opportunity to enjoy them. The Entertainer's Toy Rehoming Campaign will run from Wednesday 5th June until Saturday 8th June in all stores across the UK. If you wish to donate old toys, please take them to The Entertainer. The old toys do not need to include packaging; however they must have a CE label or marking for safety reasons.

We hope you have a lovely weekend!
