

QE NEWS

Welcome Back...

We hope you all enjoyed the Half Term week and the children have come back feeling refreshed and ready for another busy half term. We started the week with a magic show in assembly led by the Monday Lunchtime Magic club leaders; I know the children were thoroughly entertained and left the hall asking how some of the magic tricks had been performed. For those of you who attended the Firework Display last night I am sure you would agree that it was a wonderful display. A huge thank you to the PSA for organising another fantastic event!

Helpful Websites...

This week the Senior Leadership Team have been meeting with all staff to discuss pupil progress in each year group. From our conversations we have decided it would be beneficial to inform you of some of the many fun but educational online games children can access to support their learning. Any additional learning at home would certainly be of benefit to the children. Listed below are some of the websites we would recommend:

- **BBC Bitesize—KS2**
- <http://www.primaryhomeworkhelp.co.uk/>
- www.topmarks.co.uk
- **Education City**
- **Espresso Primary**
- <http://www.kidsmathgamesonline.com/>
- <http://primarygamesarena.com/>
- <https://nrich.maths.org/frontpage>

In the next few weeks you will receive information about our upcoming Parents' Afternoon/Evening on **Wednesday 5th December 2018** where you will have the opportunity to discuss your child's progress.

Online Safety...

You should have all received a letter yesterday about internet safety. As a school we are concerned about the safety of our children online and have been made aware of the fact that some of our children are not aware of some of the dangers that the internet can present. We will be educating the children in school about internet safety but feel it would be helpful if you could remind your children about the need to stay safe online.

Armistice Day...

Sunday 11th November 2018 marks the 100 year anniversary of the end of World War I. To mark this occasion, Queen Eleanor's are planning a remembrance themed activities day. The day will start with a remembrance assembly, led by Mrs Curtin, to remind the children of the importance of this day. They will then carry out a variety of activities that relate to this anniversary. We hope this will be enjoyable for the children as well as reminding them of the sacrifices that were made by the families at that time.

Have a lovely weekend and stay safe at any firework displays.
