Friday 13<sup>th</sup> March 2019

Dear Parents & Carers,

As you will be aware from the news, the Government's current decision is for schools to remain open. If any further advice is given and schools are instructed to close, we will provide the children with a pack of work that they should complete at home and we will also suggest websites that the children can access online if they are able to e.g. My Maths. If the school closes, all updates will be sent via e-mail and the school Twitter feed. If you do not have internet access, please inform the school as soon as possible so that alternative arrangements can be made. Rest assured that we are working to ensure there is minimal disruption to pupils' learning should a closure occur.

Following a directive and the advice sent to us from the Good Shepherd Trust, we have reminded the children of the need to wash their hands at the following times:

- Before leaving home
- On arrival at school
- After using the toilet
- After breaks and sporting activities
- Before eating any food including snacks
- Before leaving school

We have provided hand soap in the classrooms for the children to use. This is not the same soap as is in the toilets as it was not possible to get this soap in a hand pump bottle. If this soap does not agree with your child's skin please provide suitable soap for them to bring in to school.

On our school website, you will find a red bar at the top of the home screen which will take you to a COVID-19 page. Here you will find all of the current information that you may require.

We appreciate your support at this difficult time. Please contact me via the school office should you have any further questions.

Kind regards,

Mrs Jo Davies

Head of School
