11<sup>th</sup> March 2020

Dear parents/guardians,

Because of the new government period product scheme, we are now able to provide free sanitary products for our pupils who may be in need due to the following reasons:

- They have forgotten their products
- They cannot afford products
- They have come on their period unexpectedly

The sanitary products will be kept in the office for children to access easily. There will also be a drawer in Rocio's office should they feel more comfortable with this (pending availability). Both the box in the office and the drawer in Rocio's office will be easily identifiable with a pink flower sticker. There is no need for children to ask, they may help themselves if required.

Pupils are still expected, where possible, to bring their own products to school but we would appreciate it if you could take some time to talk to your child about where they can go if/when they may need to.

Kind Regards  
Mrs D'Amario
