Executive Head Teacher: Louise Johnson

Dear Parents/Carers,

20th September 2019

HEAD LICE ALERT !

We have an unprecedented amount of head lice cases across the school, affecting every year group. Please may we ask that you take the opportunity of the upcoming weekend to thoroughly check and if necessary treat your child's hair before resuming school on Monday morning.

We have attached our standard letter on how to effectively carry out the treatment but please be aware that one treatment is usually insufficient and the process should be repeated at least once within 7 days of the first. There is no need for harsh or expensive chemical treatments.

Unfortunately, those children who are successfully treated are still likely to get them again if others who should be, are not treated. Please consider others in this respect.

Head lice is not sufficient reason to remain home from school. However should they be discovered during the school day, a phone call will be made home requesting where possible that the parent/carer collect the child from school and return them once treated. If a parent/carer is unable to collect the child, we ask that treatment be carried out the same evening.

We thank you in advance for your assistance in this regard.

Please feel free to contact the school office should you have any queries.

Kind Regards,

Mrs Davies
